

EARLY BOOKING DISCOUNT 2026 – CONDITIONS

Reservation & ticket issuance: Until 31.01.2026

20% EARLY BOOKING

- 20% discount on one way or round-trip reservations for travel from 11.01.2026 until 31.12.2026 on Adriatic Sea routes (**Ancona, Bari, Venice**).
- The discount applies on all individual passenger and vehicle fares excluding campers over 10m long (CAMPER XL).
- The discount is not retroactive: it is valid only for new reservations and does not apply to tickets whose first issue was made before the start of the offer.
- It is cumulative with the annual commercial discounts 2026 excluding the discount for children.
- Early Booking tickets are non-refundable. In case of cancellation, 100% cancellation fees apply and only the fuel surcharge (if applicable) and the environmental charge EU ETS are fully refunded.
- After January 31, 2026, in case of a change of travel date or in case of a change of itinerary, the price difference between the Early Booking offer and the official 2026 fares must be paid. Difference is calculated on the affected ticket(s).
- If tickets are turned into open date tickets after January 31, 2026, the difference between the Early Booking offer and the official 2026 fares must be paid once the tickets of the new travel date(s) are issued.
- Tickets may be issued with an open date return (outbound leg with the Early Booking discount, inbound leg with the official return fares – no further Early Booking discount).
- Tickets originally issued with the Early Booking discount, are valid for travel until 31.12.2026, regardless of any ticket replacement (change of travel date, etc.).
- Tickets must be issued within 7 days following the booking date.
- The discount does not apply to fuel surcharge, to environmental charge EU ETS and to fares for pet carriage.
- Limited capacity available.
