

## **20% Special Economy**

- **20% discount** on economy class fares (it does not apply on FUEL surcharge and environmental charge EU ETS).
- The discount is only available on selected departures and subject to limited availability.
- Special economy discount requires immediate ticket issuance at the time of booking.
- The discount can be combined only with:
  - the 30% return discount
  - the 15% vehicle discount for members of selected automobile/camping clubs & associations.
- In case of a change to the travel date, if Special Economy accommodation is not available on the new departure, another accommodation category will need to be selected paying the corresponding fare difference.
- In case of cancellation of tickets with SPECIAL ECONOMY discount, the Company's official cancellation policy applies.
